Subject : European championship for apprentices 2016

Dear Sir,

We would like to inform you that according to the decision approved by the 72th General Assembly of UET on January 30, 2016 at Paris-Vincennes, the European championship for apprentices (4 races) will be organised by Belgium on June 3 and 4, 2016 on Mons (18h30) and Tongres (14h00) racetracks.

According to the rules of this championship, only drivers not older than 25 years who are professionally employed and educated as an apprentice due to national regulation and having at least 5 victories will be admitted (no amateur drivers).

We would like to remind you that the travelling expenses, for the apprentice representing your country from his hometown to Belgium and back, are at your own charge. The apprentices will be hosted on a full board basis (double room) and guests have to pay their own rooms.

Please be so kind enough to complete the enclosed questionnaire and send it back to the UET secretariat before March 31, 2016, with a photograph of the apprentice and all information about the accompanying persons (number of hotel rooms and travel schedule).

Also, I remind you that the driver must wear racing gear with the colours of his country.

Sincerely Yours.

Jacques Chartier
General Secretary
